

The basic objects of the group are:

1. Provide an umbrella organisation for existing Landcare and other natural resource management (NRM) organisations in the Molonglo Catchment.
2. Facilitate the preparation of a community catchment strategy for the Molonglo Catchment, as an agreed framework between key stakeholders for regional delivery of NRM, consistent with the Murrumbidgee Catchment Blueprint, ACT NRM Plan and total catchment principles.
3. Promote a strengthened partnership between stakeholders in the Molonglo Catchment, to enhance capacity to address NRM issues in the Molonglo Catchment in a collaborative, coordinated and cost-effective manner.
4. Provide support to member groups with sub-catchment planning, strategic project development, funding bids, managing projects and to develop cross-sectoral partnerships and corporate support for projects.
5. Provide a structural link between ACT and NSW groups
6. Provide a central point of contact for the broad community, including information dissemination.
7. Employ and manage a Molonglo Catchment Coordinator to facilitate meeting the above objectives.
