Return form to: PO Box 149 Ourimbah 2258

Fax: 4349 4755 Email: landforwildlife@cen.org.au Phone: 4349 4756

C. YOUR INTERESTS

Not essential - These details help us prepare for your site visit..

The Land for Wildlife program aims to help landholders look after natural vegetation on their lands. Participation in this project is entirely voluntary. We can assist you by visiting your property, giving you advice on the natural values of your property and how you can manage the natural areas on your land. We can also provide you with advice on incentive programs designed to help landholders and protect vegetation. Other opportunities include workshops, training, networking with other landholders, help with plants, bush regeneration (depending on availability) and advice / help regarding funding opportunities.

1. Conservation Incentives

Are you aware of conservation incentive programs for private landholders? **YES / NO**
Are you interested in conservation incentive programs? **YES / NO**
Are you currently involved in a conservation incentive program? **YES / NO**
If yes, which one/s?

2. Reason for Interest:

I would like advice on: (please tick) Habitat assessment of my property
 Weed control / weed management Seed collection and propagation
 Weed identification Supply of locally native plants
 Native plant identification Property management advice
 Providing habitat for wildlife Other

What are the main values of your land to you? _____

Why do you think your land is valuable as wildlife habitat? _____

5. Property Sketch

Draw a sketch of your property showing:

- major roads
- boundaries /fencing
- buildings / house
- major landuse (cropping, grazing etc)
- areas you to replant/regenerate
- corridors / proposed corridor
- stock watering points
- areas of native vegetation to protect/restore

If there is any additional information you would like to provide on your land or why you are interested in the program you may attach a separate sheet.
